

Join New Hope Foundation's Annual 1000 Coats for Hope

Each year as the weather turns cold, North Texas outreach organizations are flooded with requests for coats and blankets, but there are never enough. New Hope Foundation has made it their mission to ensure no one is turned away. You can help! How?

Donate any size new or gently used:

- Coats, jackets, raincoats, windbreakers
- Scarves
- Hats, earmuffs, ear warmers
- Mittens or gloves
- Sweaters, ponchos, capes
- Blankets

New long underwear and socks in their original packaging will also be accepted.

Join us for a final collection and coat counting at the Empowerment Center located at 2200 Zang Blvd., Dallas 75224 on SATURDAY, November 2 from 9:00 a.m. until we collect 1,000 coats.

Enjoy FUN for the entire family as we bring New Hope by donating coats to families in need!
